## FALL FISH SALE 2025

**Saturday, October 18th, 2025**

The Fall Fish Sale is now in progress and many varieties and sizes of fish are available. The Fisheries Biologist with the IL Dept of Natural Resources recommends the following stocking rates for ponds with **no** fish: 750 bluegill; 250 redear; 100 channel catfish and 100 bass. All rates are per acre of water surface and are fingerling fish (1-3"). By initially stocking the correct number of fingerlings, rather than releasing a smaller number of adult fish, a lake will produce sport fishing in less time and without stunting. Triploid Grass Carp are available again. Recommended stocking is five (5) grass carp to an acre of surface grass or algae in a pond.

**GRASS CARP** need to be ordered by **Friday, September 26th**

All other fish must be ordered by **Friday, October 10th.**

			Quantity	Cost
Hybrid Sunfish	(1-2")	250/bag-\$98.00/bag	<input type="text"/>	<input type="text"/>
Hybrid Sunfish	(3-5")	100 for \$126.00	<input type="text"/>	<input type="text"/>
