Walking Tour Paths

— Long Loop

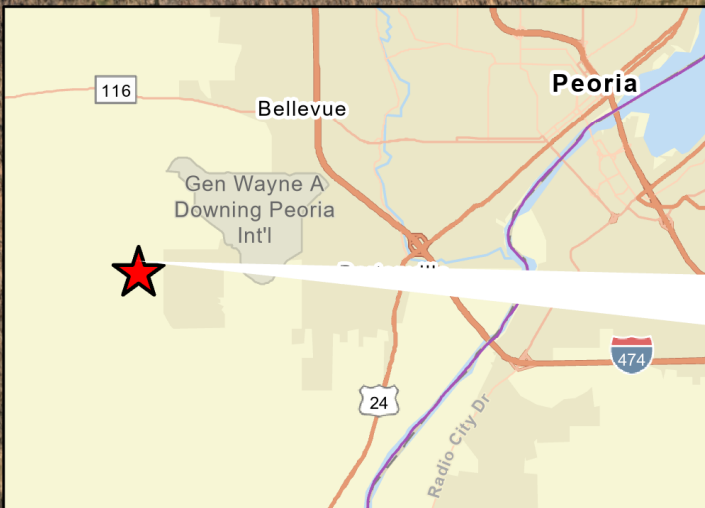

— Shorter Out and Back

The full loop is approximately 1 mile. The second half of the tour will continue on through more difficult terrain. This portion of the tour will be open discussion.

Parking

The shorter out and back path is a moderate 0.5 miles round trip. All partners will speak about their roles in this project during this portion of the walking tour. Attendees are welcome to turn around at the end of this path or continue on to a more difficult walk.

The tour is taking place approximately 2 miles southwest of the Peoria Airport at 3105 S Cameron Ln, Mapleton, IL. The location can be accessed at the second gravel lane south of the intersection of West Smithville Rd and South Cameron Lane.
